The Volunteer FIREFIGHTER®

The Official Publication of the Firemen's Association of the State of New York

Information

The Volunteer Firefighter® is the official magazine of The Firemen's Association of the State of New York (FASNY), printed bimonthly. What does this mean? Excellent opportunities for advertisers! Take advantage of great rates and FASNY's dedicated readership of over 100,000.

The Volunteer Firefighter® strives to bring topical, educational and entertaining information to the volunteers throughout New York State. The magazine offers feature articles and columns directly relating to the emergency services, including content about legislation, how-to articles, real-life experiences and more.

Your advertising dollars directly support the production and distribution of *The Volunteer Firefighter*®, one of the only publications on which volunteers depend for information, education and training specific to their industry.

50,000 copies of each issue are currently delivered to key decision makers in New York State each month. Marketing your product or service in *The Volunteer Firefighter*® is the best way to connect with New York firefighters on a regular basis.

If your product relates to:

Mission Statement

"To maintain, support, and serve the volunteer fire service of New York, its firefighters, and the public they protect through education, legislation, communication, recognition and community service."

FASNY provides information on fire prevention, fire suppression, fire police, fire chiefs, fire training, legislation, civil service, fire department operations, fire districts and fire protection districts and maintains the Firemen's Home and the Museum of Firefighting in Hudson, New York.

The Volunteer Firefighter® serves as the conduit for FASNY to disseminate this information to the volunteer services throughout and across New York State.

Advertising Information Continued:

Technical Data

PDFs: Print-ready, high-resolution PDF files are preferred for full-color ads. Minimum 1/8" for ad bleeds. All images should be at 300 dpi, and fonts should be inbedded.

Disks: *The Volunteer Firefighter*[®] is composed in the latest version of Adobe InDesign on Macintosh computers. Any file submitted electronically must either be composed in Adobe InDesign or importable into Adobe InDesign (PDF, EPS, TIFF, etc.). All fonts (screen and post script) and high-resolution artwork must accompany the ad. CDs and DVDs are acceptable media. There will be an additional \$100 minimum charge for any other file formats or media that need to be converted.

Artwork: A minimum charge of \$100 will be added for assembling extra elements or altering your ad and an earlier deadline will be in effect. 300 dpi artwork is accepted. Ad prices (on next page) reflect cost for digital, print-ready art submitted either electronically or on CD and/or DVD. Any ad submitted that needs to be altered in any way is subject to an additional minimum \$100 charge.

Borders: We reserve the right to add borders to any ad that is too small or "floats" in its reserved space unless otherwise specified and agreed to. Any ad deemed significantly oversized will be run in the next larger ad size space and will be billed accordingly.

Storage: Any CD/DVD will be stored for 12 months and then destroyed unless prior return instructions are received in writing. Include a SASE for a return of your materials.

Graphics & Design Services: Available and quoted on request.
